1. Programme summary

This Annex sets out the operational rules for the programme. The programme agreement is based on the MoU, the concept note and comments made by the NMFA. Commitments, statements and guarantees, explicit as well as implicit, made in the concept note, are binding for the National Focal Point and the Programme Operator unless otherwise explicitly stipulated in the annexes to this programme agreement.

The Programme Operator is the Ministry of Interior. The National Police Directorate (POD), the Norwegian Ministry of Justice and Public Security and the Norwegian Directorate of Immigration (UDI) are Donor Programme Partners (DPPs). The Council of Europe (CoE) is International Partner Organisation (IPO).

The programme objective, “Strengthened rule of law”, will be attained through four outcomes:

- **Outcome 1 “Increased capacity of the national authorities in the asylum and migration area”**
  The outcome shall be supported by way of one call for proposals and two pre-defined projects (PDPs): “Establishing an Interim Care Facility for Unaccompanied Minors (UAM)” (PDP no. 1) and “Increasing the administrative capacity of the national authorities in the asylum and migration area” (PDP no. 2). The call for proposals shall focus on return of third-country nationals.

- **Outcome 2 “Improved capacity for law enforcement agencies in crime prevention and investigation”**
  The outcome shall be supported by way of six pre-defined projects: “Increasing the capacity of General Directorate “Combating Organized Crime” for more effective investigation of organised and transnational crime” (PDP no. 3), “Extension of the Communication Infrastructure of MoI” (PDP no. 4), “Enhancement of the International Police Cooperation and the Prevention of International Criminal Activities” (PDP no. 5), “Improvement of the capacity of police and forensic activity dealing with material evidence in pre-trial investigation process” (PDP no. 6), “Development of Expert Forensic Examinations and Activities at the Research Institute of Forensic sciences at the Ministry of Interior (RIFS) and technical upgrade and expansion of the possibilities of five basic regional forensic laboratories” (PDP no. 7), “Increasing the effectiveness of SANS for combating economic crime including money laundering, terrorism financing, and predicate criminality” (PDP no. 8).

- **Outcome 3 “Improved situation for Roma population”**
  The outcome shall be supported by way of four pre-defined projects: “Capacity building of the police officers working in multi-ethnic environment, including Roma communities and prevention of ill-treatment by the police” (PDP no. 9), “Improvement of the efficiency of the police activity in the field of domestic and gender-based violence” (PDP no. 10), “Improvement of the coordination and dialogue between police and Roma society” (PDP no. 11) and “Awareness raising of local communities in areas with significant share of Roma population on asylum and migration issues” (PDP no. 12).
