Norwegian Financial Mechanism 2014-2021

PROGRAMME AGREEMENT

between

The Norwegian Ministry of Foreign Affairs

and

The Estonian State Shared Service Center (SSSC),
hereinafter referred to as the “National Focal Point”,
representing Estonia,
hereinafter referred to as the “Beneficiary State”

together hereinafter referred to as the “Parties”

for the financing of the Programme “Competitiveness”

hereinafter referred to as the “Programme”
Chapter 1
Scope, Legal Framework, and Definitions

Article 1.1
Scope
This programme agreement between the Norwegian Ministry of Foreign Affairs (hereinafter referred to as the NMFA) and the National Focal Point lays down the rights and obligations of the Parties regarding the implementation of the Programme and the financial contribution from the Norwegian Financial Mechanism 2014-2021 to the Programme.

Article 1.2
Legal Framework
1. This programme agreement shall be read in conjunction with the following documents which, together with this programme agreement, constitute the legal framework of the Norwegian Financial Mechanism 2014-2021:
   (a) Agreement between the Kingdom of Norway and the European Union on the Norwegian Financial Mechanism 2014-2021 (hereinafter referred to as the Agreement);
   (b) the Regulation on the implementation of the Norwegian Financial Mechanism 2014-2021 (hereinafter referred to as the “Regulation”) issued by Norway in accordance with Article 10(5) of the Agreement;
   (c) the Memorandum of Understanding on the Implementation of the Norwegian Financial Mechanism 2014-2021 (hereinafter referred to as the “MoU”), entered into between Norway and the Beneficiary State; and
   (d) any guidelines adopted by the NMFA in accordance with the Regulation.

2. In case of an inconsistency between this programme agreement and the Regulation, the Regulation shall prevail.

3. The legal framework is binding for the Parties. An act or omission by a Party to this programme agreement that is incompatible with the legal framework constitutes a breach of this programme agreement by that Party.

Article 1.3
Definitions
Terms used and institutions and documents referred to in this programme agreement shall be understood in accordance with the Regulation, in particular Article 1.6 thereof, and the legal framework referred to in Article 1.2 of this programme agreement.

Article 1.4
Annexes and hierarchy of documents
1. Annexes attached hereto form an integral part of this programme agreement. Any reference to this programme agreement includes a reference to its annexes unless otherwise stated or clear from the context.

2. The provisions of the annexes shall be interpreted in a manner consistent with this programme agreement. Should the meaning of any provision of the said annexes, so interpreted, remain inconsistent with this programme agreement, the provisions of the annexes shall prevail, provided that these provisions are compatible with the Regulation.

3. Commitments, statements and guarantees, explicit as well as implicit, made in the preparation of the programme are binding for the National Focal Point and the Programme Operator unless otherwise explicitly stipulated in the annexes to this programme agreement.

Chapter 2
The Programme

Article 2.1
Co-operation
1. The Parties shall take all appropriate and necessary measures to ensure fulfilment of the obligations and objectives arising out of this programme agreement.

2. The Parties agree to provide all information necessary for the good functioning of this programme agreement and to apply the principles of implementation as set out in the Regulation.

3. The Parties shall promptly inform each other of any circumstances that interfere or threaten to interfere with the successful implementation of the Programme.
4. In executing this programme agreement the Parties declare to counteract corrupt practices. Further, they declare not to accept, either directly or indirectly, any kind of offer, gift, payments or benefits which would or could be construed as illegal or corrupt practice. The Parties shall immediately inform each other of any indication of corruption or misuse of resources related to this programme agreement.

Article 2.2
Main responsibilities of the Parties

1. The National Focal Point is responsible and accountable for the overall management of the Norwegian Financial Mechanism 2014-2021 in the Beneficiary State and for the full and correct implementation of this programme agreement. In particular, the National Focal Point undertakes to:

(a) comply with its obligations stipulated in the Regulation and this programme agreement;
(b) ensure that the Certifying Authority, the Audit Authority, the Irregularities Authority and the Programme Operator properly perform the tasks assigned to them in the Regulation, this programme agreement and the programme implementation agreement;
(c) take all necessary steps to ensure that the Programme Operator is fully committed and able to implement and manage the Programme;
(d) take the necessary measures to remedy irregularities in the implementation of the Programme and ensure that the Programme Operator takes appropriate measures to remedy irregularities in Projects within the Programme, including measures to recover misspent funds;
(e) make all the necessary and appropriate arrangements in order to strengthen or change the way the Programme is managed.

2. The NMFA shall, subject to the rules stipulated in the legal framework referred to in Article 1.2 of this programme agreement, make available to the Beneficiary State a financial contribution (hereinafter referred to as “the programme grant”) to be used exclusively to finance the eligible cost of the Programme.

Article 2.3
Objective and outcomes of the Programme

1. This programme agreement sets out the objective, outcome(s), outputs, indicators and targets for the Programme.

2. The National Focal Point shall ensure that the Programme Operator implements and completes the Programme in accordance with the objective, outcome(s), outputs, indicators and targets set for the Programme.

Article 2.4
Programme grant

1. The maximum amount of the programme grant, the programme grant rate, and the estimated eligible cost of the Programme shall be as specified in this programme agreement.

2. In case the Programme is also supported by the Norwegian Financial Mechanism, this programme agreement shall be interpreted in conjunction with the agreement regulating that support.

3. The financial plan annexed to this programme agreement shall:

(a) contain a breakdown between the Programme’s budget headings;
(b) indicate the agreed advance payment, if any.

4. The management cost of the Programme Operator shall not exceed the amount specified in this programme agreement.

Article 2.5
Special conditions and programme specific rules

1. This programme agreement shall list any conditions set by the NMFA with reference to paragraph 2 of Article 6.3 of the Regulation. The National Focal Point shall ensure compliance with these conditions and take the necessary steps to ensure their fulfilment.

2. The National Focal Point shall ensure compliance with any other programme specific rules laid down in this programme agreement.

Article 2.6
Programme implementation agreement
With reference to Article 6.8 of the Regulation and without prejudice to paragraph 2 thereof, the National Focal Point shall, before any payment is made to the Programme, sign a programme implementation agreement with the Programme Operator. The National Focal Point shall notify the NMFA of such signing.

Article 2.7
Reporting
The National Focal Point shall ensure that the Programme Operator provides financial reports, annual programme reports and a final programme report in accordance with Chapter 9 and Articles 6.11 and 6.12 of the Regulation as well as statistical reporting in accordance with guidelines adopted by the NMFA.

Article 2.8
External monitoring
The external monitoring and audit referred to in Articles 11.1, 11.2, 11.3 and 11.4 of the Regulation shall not in any way relieve the National Focal Point or the Programme Operator of their obligations under the legal framework regarding monitoring of the Programme and/or its projects, financial control and audit.

Article 2.9
Modification of the Programme
1. Unless otherwise explicitly stipulated in this programme agreement, any modification of the Programme is subject to prior approval by the NMFA.
2. Programme specific exceptions from paragraph 1, if any, are set in the annexes to this programme agreement.
3. Expenditures incurred in breach of this article are not eligible.
4. Should there be a doubt as to whether the proposed modifications require approval by the NMFA, the National Focal Point shall consult the NMFA before such modifications take effect.
5. Requests for modifications shall be submitted and assessed in accordance with Article 6.9 of the Regulation.

Article 2.10
Communication
1. All communication to the NMFA regarding this programme agreement shall take place in English and be directed to the Financial Mechanism Office (hereinafter referred to as the FMO), which represents the NMFA towards the National Focal Point and the Programme Operator in relation to the implementation of the Programme.
2. To the extent that original documents are not available in the English language, the documents shall be accompanied by full and accurate translations into English. The National Focal Point shall bear the responsibility for the accuracy of the translation that it provides and the possible consequences that might arise from any inaccurate translations.

Article 2.11
Contact information
1. The contact information of the Programme Operator is as specified in this programme agreement.
2. The contact information for the NMFA and the Financial Mechanism Office are:
   Financial Mechanism Office
   At: Director
   EFTA Secretariat
   Rue Joseph II, 12-16
   1000 Brussels
   Telephone: +32 (0)2 286 1701
   Telefax (general): +32 (0)2 211 1889
   E-mail: fmo@efta.int
3. Changes of or corrections to the contact information referred to in this article shall be given in writing without undue delay by the Parties to this programme agreement.

Article 2.12
Representations and Warranties
1. This programme agreement and the awarding of the programme grant is based on information provided by, through, or on behalf of the National Focal Point to the NMFA prior to the signing of this programme agreement.
2. The National Focal Point represents and warrants that the information provided by, through, or on behalf of the National Focal Point, in connection with the implementation or conclusion of this programme agreement are authentic, accurate and complete.

Chapter 3
Projects

Article 3.1
Selection of projects and award of grants
1. The National Focal Point shall ensure that the Programme Operator selects projects in accordance with Chapter 7 of the Regulation and this programme agreement.

2. Eligibility of project promoters and project partners is stipulated in Article 7.2 of the Regulation and, in accordance with paragraph 4 thereof, subject only to the limitations stipulated in this programme agreement.

3. Pre-defined projects shall be outlined in this programme agreement.

4. The National Focal Point shall take proactive steps to ensure that the Programme Operator complies fully with Article 7.5 of the Regulation.

Article 3.2
Project contract
1. For each approved project a project contract shall be concluded between the Programme Operator and the Project Promoter.

2. In cases where a project contract cannot, due to provisions in the national legislation, be made between the Programme Operator and the Project Promoter, the Beneficiary State may instead issue a legislative or administrative act of similar effect and content.

3. The content and form of the project contract shall comply with Article 7.6 of the Regulation.

4. The National Focal Point shall ensure that the obligations of the Project Promoter under the project contract are valid and enforceable under the applicable law of the Beneficiary State.

Article 3.3
Project partners and partnership agreements
1. A project may be implemented in a partnership between the Project Promoter and project partners as defined in paragraph 1(w) of Article 1.6 of the Regulation. If a project is implemented in such a partnership, the Project Promoter shall sign a partnership agreement with the project partners with the content and in the form stipulated in Article 7.7 of the Regulation.

2. The partnership agreement shall be in English if one of the parties to the agreement is an entity from Norway.

3. The eligibility of expenditures incurred by a project partner is subject to the same limitations as would apply if the expenditures were incurred by the Project Promoter.

4. The creation and implementation of the relationship between the Project Promoter and the project partner shall comply with the applicable national and European Union law on public procurement as well as Article 8.15 of the Regulation.

5. The National Focal Point shall ensure that the Programme Operator verifies that the partnership agreement complies with this article. A draft partnership agreement or letter of intent shall be submitted to the Programme Operator before the signing of the project contract.

Chapter 4
Finance

Article 4.1
Eligible expenditures
1. Subject to Article 8.7 of the Regulation, eligible expenditures of this Programme are:

(a) management costs of the Programme Operator in accordance with the detailed budget in the financial plan;

(b) payments to projects within this Programme in accordance with the Regulation, this programme agreement and the project contract.

2. Eligible expenditures of projects are those actually incurred by the Project Promoter or project partners, meet the criteria set in Article 8.2 of the Regulation and fall within the categories and fulfil the conditions of direct eligible expenditure set in Article 8.3 of the Regulation, the conditions regarding the use of
standard scales of unit costs set in Article 8.4 of the Regulation as well as indirect costs in accordance with Article 8.5 of the Regulation.

4. The first date of eligibility of expenditures in projects shall be set in the project contract in accordance with Article 8.13 of the Regulation. The first date of eligibility of any pre-defined projects shall be no earlier than the date on which the National Focal Point notifies the NMFA of a positive appraisal of the pre-defined projects by the Programme Operator in accordance with paragraph 3 of Article 6.5 of the Regulation.

5. The maximum eligible costs of the categories referred to in paragraph 1 are set in this programme agreement. Programme specific rules on the eligibility of expenditure set in this programme agreement shall be complied with.

Article 4.2
Proof of expenditure

Costs incurred by Programme Operators, Project Promoters and project partners shall be supported by documentary evidence as required in Article 8.12 of the Regulation.

Article 4.3
Payments

1. Payments to the Programme shall be made when all relevant conditions for payments stipulated in this programme agreement and the Regulation have been fulfilled.

2. Payments to the Programme shall take the form of an advance payment, interim payments and payment of the final balance and shall be made in accordance with Articles 9.2, 9.3 and 9.4 of the Regulation.

3. Payments of the project grant to the Project Promoters may take the form of advance payments, interim payments and payments of the final balance. The level of advance payments and their off-set mechanism is set in this programme agreement.

4. The National Focal Point shall ensure that payments are transferred in accordance with paragraph 2 of Article 9.1 of the Regulation.

5. Chapter 9 of the Regulation shall apply to all aspects related to payments, including currency exchange rules and handling of interests on bank accounts.

Article 4.4
Transparency and availability of documents

The National Focal Point shall ensure an audit trail for financial contributions from the Norwegian Financial Mechanism 2014-2021 to the Programme in accordance with Article 9.8 of the Regulation.

Article 4.5
Irregularities, suspension and reimbursements

The NMFA has the right to make use of the remedies provided in the Regulation, in particular Chapter 13 thereof. The National Focal Point has a duty to take all necessary measures to ensure that the provisions in Chapter 12 and 13 of the Regulation regarding irregularities, suspension of payments, financial corrections and reimbursement are complied with.

Chapter 5
Final provisions

Article 5.1
Dispute settlement

1. The Parties waive their rights to bring any dispute related to the programme agreement before any national or international court, and agree to settle such a dispute in an amicable manner.

2. If a demand for reimbursement to the NMFA is not complied with by the Beneficiary State, or a dispute related to a demand for reimbursement arises that cannot be solved in accordance with paragraph 1, the Parties may bring the dispute before Oslo Tingrett.

Article 5.2
Termination

1. The NMFA may, after consultation with the National Focal Point, terminate this programme agreement if:

(a) a general suspension decision according to Article 13.6 of the Regulation or a decision to suspend payments according to paragraph 1(h)
of Article 13.1 of the Regulation has not been lifted within 6 months of such a decision;

(b) a suspension of payments according to Article 13.1 of the Regulation, other than under paragraph 1(h), has not been lifted within one year of such a decision;

(c) a request for reimbursement according to Article 13.2 of the Regulation has not been complied with within one year from such a decision;

(d) the Programme Operator becomes bankrupt, is deemed to be insolvent, or declares that it does not have the financial capacity to continue with the implementation of the Programme; or

(e) the Programme Operator has, in the opinion of the NMFA, been engaged in corruption, fraud or similar activities or has not taken the appropriate measures to detect or prevent such activities or, if they have occurred, nullify their effects.

2. This programme agreement can be terminated by mutual agreement between the Parties.

3. Termination does not affect the right of the Parties to make use of the dispute settlement mechanism referred to in Article 5.1 or the right of the NMFA to make use of the remedies provided in Chapter 13 of the Regulation.

Article 5.3
Waiver of responsibility

1. Any appraisal of the Programme undertaken before or after its approval by the NMFA, does not in any way diminish the responsibility of the National Focal Point and the Programme Operator to verify and confirm the correctness of the documents and information forming the basis of the programme agreement.

2. Nothing contained in the programme agreement shall be construed as imposing upon the NMFA or the FMO any responsibility of any kind for the supervision, execution, completion, or operation of the Programme or its projects.

3. The NMFA does not assume any risk or responsibility whatsoever for any damages, injuries, or other possible adverse effects caused by the Programme or its projects including, but not limited to inconsistencies in the planning of the Programme or its projects, other project(s) that might affect it or that it might affect, or public discontent. It is the full and sole responsibility of the National Focal Point and the Programme Operator to satisfactorily address such issues.

4. Neither the National Focal Point, the Programme Operator, entities involved in the implementation of projects, nor any other party shall have recourse to the NMFA for further financial support or assistance to the Programme in whatsoever form and above what has been provided for in the programme agreement.

5. Neither the European Free Trade Association, its Secretariat, including the FMO, its officials or employees, nor the NMFA, its officials or employees, can be held liable for any damages or injuries of whatever nature sustained by the National Focal Point or the Beneficiary State, the Programme Operator, Project Promoters or any other third person, in connection, be it direct or indirect, with this programme agreement.

6. Nothing in this programme agreement shall be construed as a waiver of diplomatic immunities and privileges awarded to the European Free Trade Association, its assets, officials or employees.

Article 5.4
Entry into force and duration

1. This programme agreement shall enter into force on the date of the last signature of the Parties.

2. This programme agreement shall remain in force until five years have elapsed after the date of the acceptance of the final programme report.

**********
This programme agreement is drawn up in two originals in the English language.

For the Donors
Signed in Tallinn, Estonia on 26/04/2018

</table>

1. CO2 emissions reductions will be verified by project promoter by performing independent audit or using other reliable method.
2. Definition of “turnover”: Enterprise’s net revenue for a fiscal year (after deduction of VAT, trade reductions and other indirect taxes).
3. Definition of “profit”: Difference between operating income and operating expenses.
4. Decrease of energy consumption will be verified by project promoter by performing independent energy audit or using other reliable method.
This indicator measures products/services/processes in the green, welfare and ICT Sector. Definition of “commercialization”: the process by which a new product or service is introduced into the general market. The process is broken into phases, from the initial introduction of the product through its mass production and adoption. It takes into account the production, distribution, marketing, sales and customer support required to achieve commercial success.

OCR is a virtual environment that is used for cybersecurity training and cyber technology development. Enterprises can test their products, services or processes against cyber threats in virtual testing environment to guarantee the real life security of products, services and processes.

This indicator measures products/services/processes in the green, welfare and ICT Sector. Definition of “developed”: Projects where the main activities are user driven R&D, i.e. validation or demonstration of technologies in relevant (industrial) environment, prototypes demonstrated in operational environment, system completed and qualified. With other words Technology Readiness Level (TRL) 5-8 (EU Commission’s scale used to describe the maturity of a technology). These types of projects will typically be cooperation between an enterprise and a research institution or similar.

Definition of “large enterprise”: The enterprise is considered large when it is characterized by at least one of the three elements mentioned above: employ more than 250 persons, has annual turnover which exceeds EUR 50 million, and/or an annual balance sheet total exceeding EUR 43 million.

Definition of “SME-s”: SMEs are enterprises which employ fewer than 250 persons and which have an annual turnover not exceeding EUR 50 million, and/or an annual balance sheet total not exceeding EUR 43 million.

Survey to be carried out by the FMO

And an increase on the baseline
**Conditions**

**General**

1) The National Focal Point shall ensure that the Programme Operator, prior to signing a project contract for pre-defined project no. 1 “Open Cyber Range (OCR)” and no. 2 “Health Sense”, carries out an external and independent appraisal of the project, in order to verify its quality and contribution to the objectives of the Programme as well as compliance with EU and national legislation.

**Pre-eligibility**

1) No costs shall be eligible under pre-defined project no. 1 “Open Cyber Range (OCR)” and no. 2 “Health Sense” before the detailed descriptions and budgets for these pre-defined projects have been submitted to and approved by the NMFA.

**Pre-payment**

1) The Programme Operator shall submit the summary description of the procedure for the selection of projects to the NMFA for approval, prior to the publication of the small grant scheme and call for proposals foreseen under this programme. The programme agreement shall be amended accordingly.

2) The Programme Operator shall submit a communication plan for the programme to the NMFA for approval, prior to the publication of the small grant scheme and call for proposals foreseen under this programme.

**Pre-completion**

Operational rules (Annex II)

1. Programme summary
This Annex sets out the operational rules for the programme. The programme agreement is based on the MoU, the concept note and comments made by the NMFA. Commitments, statements and guarantees, explicit as well as implicit, made in the concept note, are binding for the National Focal Point and the Programme Operator unless otherwise explicitly stipulated in the annexes to this programme agreement.

The Programme Operator is the Ministry of Economic Affairs and Communications of Estonia. Certain tasks of the Programme Operator may be delegated to the Enterprise Estonia (EE), however this does not in any way reduce or restrict the responsibility of the Programme Operator. Innovation Norway (IN) shall act as Donor Programme Partner.

The programme shall support the outcomes “Increased competitiveness of Estonian companies within focus areas Green Industry Innovation, ICT and Welfare Technology,” by way of one open call for proposals, one small grant scheme (SGS), and two pre-defined projects.

The programme has three focus area, Green Industry Innovation, ICT, and Welfare Technology, with ICT as a horizontal issue across Green Industry Innovation and Welfare technology.

The Programme targets 50% of funds to be allocated into Green Industry Innovation (through ICT-related projects) and ensures that minimum 75% of the funding goes to SMEs.

2. Eligibility
2.1 Eligible applicants:
The rules on eligibility of applicants are set in Article 7.2 of the Regulation. In accordance with Article 7.2.4, the following entities shall be eligible:

* For the open call and the small grant scheme, eligible applicants are companies registered in the Estonian Commercial Register. Eligible project partners are legal entities established in Estonia or in Norway.

2.2 Special rules on eligibility of costs:
Costs are eligible in accordance with chapter 8 of the Regulation.

3. Bilateral relations
3.1 Bilateral relations
The Programme shall contribute to strengthening bilateral relations between Estonia and Norway.

The Programme shall as appropriate facilitate donor partnership projects by carrying out, inter alia, match-making events and activities in conjunction with launching calls for proposals, as well as by encouraging donor partnership projects in call texts.

The further use of the funds for bilateral relations allocated to the programme shall be agreed in the Cooperation Committee.

4. Selection of projects and financial parameters
4.1 Open calls and availability of funds (including number of calls, duration of calls, and estimated size):

<table>
<thead>
<tr>
<th>Outcome</th>
<th>Modality</th>
<th>Indicative timing</th>
<th>Total available amount</th>
<th>Minimum/Maximum grant applied for</th>

One call for proposals will be launched under the programme. The call will make available €14,075,000 to the focus areas Green Industry Innovation and ICT and €4,425,000 to the focus area Welfare Technology. The call will remain open until the funds have been exhausted.

4.2 Selection procedures:
Applications submitted under the open call and small grant scheme shall be assessed in accordance with Article 7.4 of the Regulation.

The programme agreement shall be amended following submission of the summary description of the procedure for the selection of projects to the NMFA.

4.3 Project grant rate:
Grants from the programme may be up to 75% of total eligible expenditure of the project. The grant rates for the pre-defined projects are set in section 5.1. The project grant rate shall in all cases be set at a level that complies with the State Aid rules in force and takes into account any and all other forms of public support granted to projects. Any remaining costs of the project shall be provided by the Project Promoter.

5. Additional mechanisms within the Programme

5.1 Pre-defined projects

1) "Open Cyber Range (OCR)"

Project Promoter: Estonian Ministry of Defence
Donor project partner(s): Norwegian University for Science and Technology (NTNU)
Other project partner(s): Tallinn University of Technology
Total maximum eligible costs: € 3,331,765
Project grant rate: 100.00 %
Maximum project grant amount: € 3,331,765

Programme outcome the project contributes to: “Increased competitiveness of Estonian companies within focus areas Green Industry Innovation, ICT and Welfare Technology”.

The pre-defined project shall create an environment for companies to test, experiment and validate newly developed products to meet the growing need for enhanced cybersecurity. Activities will include creating a platform for (new) cybersecurity companies to develop, test and validate innovative products, create a launch pad for new products to emerge to the market, promote security thinking in private sector and educate better workforce for the private companies.

The programme agreement shall be amended following submission of the detailed description and budget for this project to the NMFA.

2) "Health Sense"

Project Promoter: Ministry of Social Affairs - Estonia
Donor project partner(s): Norwegian Directorate of Health (HDIR)
Norwegian University for Science and Technology (NTNU)
Other project partner(s): Health and Welfare Information Systems Center
Tallinn University of Technology
Tartu University
Software Technology and Applications Competence Centre
Total maximum eligible costs: € 2,000,000
Project grant rate: 100.00 %
Maximum project grant amount: € 2,000,000

Programme outcome the project contributes to: “Increased competitiveness of Estonian companies within focus areas Green Industry Innovation, ICT and Welfare Technology”.

The pre-defined project shall create a virtual environment to collect health, health cycle and lifestyle data for research and services development purposes supporting Estonian companies in the development of new products, services and processes in area of welfare technologies.

The programme agreement shall be amended following submission of the detailed description and budget for this project to the NMFA.
5.2 Financial Instruments
Not applicable.

6. Programme Management
6.1 Payment flows
The Programme Operator shall ensure that payments to projects are made in a timely manner.

Payments of the project grant shall take the form of interim payments and a final payment. The interim payments shall be paid after the approval of project interim reports and final payments after the approval of project final report. The interim payments shall be paid within 1 month after the approval of project interim reports. Upon approval of the final project report a final balance payment, if applicable, shall be made within 1 month.

The approval of project interim and final reports shall take place within 2 months from the submission of the required information.

The periodicity of reporting periods, and deadlines for reporting will be further detailed in the description of the Programme Operator’s management and control systems.

In case of euro-denominated contracts with entities from Donor States or with intergovernmental organizations, the Programme Operator shall transfer the amounts in euro.

6.2 Verification of payment claims
The Programme Operator verifies that the expenditures declared by the project promoters have actually been incurred and complies with the Regulation, the Programme Agreement as well as applicable national and European Union law and that the financial contribution is used exclusively for the purpose of the programme and its projects and according to the Programme Agreement.

Payments to projects are made on the basis of approved payment claims. Payment claim, submitted as integral part of the interim and final project reports, will be reviewed by the Programme Operator. Verification and approval of the payment claim will be based on information on incurred costs, financial status and project’s progress described in reports, and on additional information to be submitted together with reports, if required by the Programme Operator.

In line with point i) of Article 5.6.2 of the Regulation incurred expenditure reported shall be subject to administrative verifications before the report is approved. Verifications to be carried out shall cover administrative, financial, technical and physical aspects of projects, as appropriate and be in accordance with the principle of proportionality.

Additionally, in line with point ii) of Article 5.6.2 of the Regulation on-the-spot verifications of projects, which may be carried out on a sample basis, shall be carried out.

The verification of costs will be based on sample methods taking into account results of the project implementation risk analysis. After approval of the payment claim the disbursement of the grant to the project promoter is made.

The detailed procedure for verification of payment claims, periodicity of reporting periods, and deadlines for reporting will further be outlined in the description of the programme rules of procedure and Programme Operator’s management and control systems.

6.3 Monitoring and reporting
The Programme Operator shall monitor, record and report on progress towards the programme’s outcomes in accordance with the provisions contained in the legal framework. The Programme Operator shall ensure that suitable and sufficient monitoring and reporting arrangements are made with the
project promoters in order to enable the Programme Operator and the NFP to meet its obligations to the donors.

When reporting on progress achieved in Annual and Final Programme Reports, the Programme Operator shall disaggregate results achieved as appropriate and in accordance with instructions and templates received from the FMO.

6.4 Programme administrative structures
The programme is operated by the Estonian Ministry of Economic Affairs and Communications. Enterprise Estonia will act as the implementing agency and will be involved in the selection process as well as take on tasks related to verification of payments, payments to project promoters, monitoring of the projects and preparing the interim financial reports to be submitted to the Certifying Authority by the Programme Operator. Monitoring of financial management and budgeting will be followed by general state budget rules. The organisational structure of the Programme Operator shall ensure independence and functional separation of the division responsible for verification of incurred expenditure and approval of payments from other divisions responsible for the implementation of the programme.

7. Communication
The Programme Operator shall comply with Article 3.3 of the Regulation, the Information and Communication Requirements in Annex 3 of the Regulation and the Communication plan for the programme.

8. Miscellaneous
Not applicable.
