1. Introduction

The below document is a user manual that shows how to navigate GrACE pages to report irregularities, including the submission of quarterly irregularity reports and reporting of immediate irregularities.

This user manual is intended for:

- Irregularity Authorities
- Fund Operators

Important: All references to Irregularity Authority from this manual also apply to the Fund Operators in their capacity to report on irregularities related to their Programme. Any references to Regulations shall be understood as the corresponding provisions in the respective Programme Implementation Agreements with Fund Operators.

The following workflow is established for submitting the quarterly reports on irregularities and when reporting an immediate irregularity:

The submission of quarterly reports, including follow-up reporting, is further explained in section 2 of this manual. The reporting of an immediate irregularity is further explained in section 3 of this manual.

The GrACE page for registering irregularities is based on the template provided as Annex 9 to Regulations\(^1\) however there are minimal technical adjustments due to data collection via the information system. Reference to Annex 9 is made in this user manual as appropriate for guidance.

You are no longer required to fill in the templates provided as Annex 9 to the Regulations. The information on the irregularities (both initial and follow-up reports) is provided directly in GrACE. If you, for internal purposes, need a signed version of the reports prepared in GrACE, these can be downloaded and printed via the Preview tab, please see sections 2.6 and 3.4 in this user manual.

For further help and support, please contact grace.support@efta.int. This user manual and other manuals can be found at our website https://eeagrants.org/gracemanuals, be sure to check in sometimes for updated versions.

2. Quarterly Reports

2.1. Introduction

The Irregularity Authority will submit quarterly reports to FMO according to the following schedule:

<table>
<thead>
<tr>
<th>Quarter</th>
<th>For the period</th>
<th>To be reported by (deadline)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Q1</td>
<td>January – March</td>
<td>31 May</td>
</tr>
<tr>
<td>Q2</td>
<td>April – June</td>
<td>31 August</td>
</tr>
<tr>
<td>Q3</td>
<td>July – September</td>
<td>30 November</td>
</tr>
<tr>
<td>Q4</td>
<td>October – December</td>
<td>28 February following year</td>
</tr>
</tbody>
</table>

The quarterly reports will contain:

- Irregularity cases occurring during this interval
- Follow-up on the previously reported irregularities
- (If the case) information that no cases occurred during this interval

2.2. The Quarterly Irregularity Report task

The tasks for the preparation of the Irregularity reports are created automatically for each quarter 2 months before the deadline (e.g., the task for Q1 will be created on the 1st of April). They are available under the My tasks section for the user with Irregularity Authority role, located on the top left side of the GrACE dashboard.

If there are multiple users in your organisation, the task will be in the My tasks section for the user registered as primary contact in GrACE for your organisation.

If there are multiple users in your organisation, the task will be in My team(s) tasks section for the registered users which are not the primary contact in GrACE for your organisation.
You can take over the task from a colleague from the organisation registered as Irregularity Authority: select the task from My team(s) tasks and click Take over.

You can reassign the task to someone else from the organisation registered as Irregularity Authority: select the task from My tasks and click Reassign.

**Warning:** In case there are no users registered for your organisation, the task will not be assigned to anyone. Please contact grace.support@efta.int providing the contact details of the person which will submit the Irregularity reports.

Click on the task name Prepare Irregularity Report to open the task. After opening the task, you can view and edit the report. To fill-in the report, you will edit the Structured Data tab.

### 2.3. If there are no irregularities to be included in the report

By default, the answer to the question *New irregularities to be reported?* will appear as Yes. In case there are no new irregularity cases to be reported, click Edit in the General data section, and edit this field to No, then click Save. You can then proceed to section 2.5 of this guide.
