Project promoters which are direct state budgetary users:

For project promoters which are direct state budgetary users, funds are made available through the state treasury in accordance with the project promoters needs.

Project promoters which are direct state budget users submit requests to the programme operator for advance instalments according to needs. Upon approval by the programme operator the requested amounts are made available in the state treasury by the Ministry of Finance – Certifying Authority.

Requests for funds to be made available in the state treasury may be submitted on a continuous basis according to project promoters needs.

Project promoters which are not direct state budgetary users:

Funds for Project Promoters which are not direct users of the state budget are made available in the form of an advance payment of up to 30% of the total awarded grant amount and subsequently through advance instalments which may each be up to 30% of the total awarded grant amount. The remaining 10% of the total awarded grant amount may be paid out after the approval of a final report.

The advance payment shall be made available to the project promoter 30 days after the signature of the project implementation agreement. Subsequent advance instalments shall be requested in connection with the submission of project progress reports. In
