MEMORANDUM OF UNDERSTANDING
ON THE IMPLEMENTATION OF THE NORWEGIAN FINANCIAL
MECHANISM 2004-2009 ESTABLISHED IN ACCORDANCE WITH THE
AGREEMENT
EUROPEAN COMMUNITY ON A NORWEGIAN FINANCIAL
MECHANISM FOR THE PERIOD 2004-2009

between

THE GOVERNMENT OF THE KINGDOM OF NORWAY,

hereinafter referred to as “Norway”

and

THE GOVERNMENT OF THE REPUBLIC OF HUNGARY,

hereinafter referred to as the “Beneficiary State”

together hereinafter referred to as the “Parties”,
WHEREAS the Agreement of 14 October 2003 on the participation of the Czech Republic, the Republic of Estonia, the Republic of Cyprus, the Republic of Latvia, the Republic of Lithuania, the Republic of Hungary, the Republic of Malta, the Republic of Poland, the Republic of Slovenia and the Slovak Republic in the European Economic Area (hereinafter referred to as the “EEA Enlargement Agreement”) is applicable as of 1 May 2004;

WHEREAS the Agreement of 14 October 2003 between the Kingdom of Norway and the European Community on a Norwegian Financial Mechanism for the period 2004-2009 (hereinafter referred to as the Agreement), establishes a financial mechanism through which Norway will contribute to the reduction of economic and social disparities in the European Economic Area (hereinafter referred to as the “Norwegian Financial Mechanism”);

WHEREAS the EEA Enlargement Agreement and the Norwegian Financial Mechanism will strengthen relations between Norway and the Republic of Hungary to the mutual benefit of their peoples;

WHEREAS the enhanced co-operation between Norway and the Republic of Hungary will contribute to securing a stable, peaceful and prosperous Europe, based on good governance, democratic institutions, the rule of law, respect for human rights and sustainable development;

WHEREAS the parties agree to establish a framework for cooperation in order to ensure the effective implementation of the Norwegian Financial Mechanism;

HAVE DECIDED to conclude the following Memorandum of Understanding (hereinafter referred to as the “MoU”):
Article 1

(Objectives)

In accordance with Article 1 of the Norwegian Financial Mechanism Agreement, Norway has established the Norwegian Financial Mechanism in order to contribute to the reduction of economic and social disparities in the European Economic Area. Accordingly, the parties to this MoU shall endeavour to select projects for funding, which contribute to the achievement of that objective.

Article 2

(Legal Framework)

This MoU, agreed between the Government of the Kingdom of Norway and the Government of the Republic of Hungary, shall be read in conjunction with and be subject to the conditions in the following documents, which constitute the legal framework of the Norwegian Financial Mechanism.

- The Agreement of 14.10.2003 between the Kingdom of Norway and the European Community on a Norwegian Financial Mechanism for the period 2004-2009 (hereinafter referred to as the “Agreement”),

- The Rules and Procedures for the implementation of the Norwegian Financial Mechanism (hereinafter referred to as the “Rules and Procedures”) and subsequent amendments thereof. The Rules and Procedures are adopted by Norway in accordance with Article 8 of the Norwegian Financial Mechanism Agreement,

- The Grant Agreements, which will be concluded between the Norwegian Ministry of Foreign Affairs and the Beneficiary State for each project.

Article 3

(Financial Framework)

1. In accordance with Article 2 of the Agreement, Norway shall make available € 567 million for the Norwegian Financial Mechanism in annual tranches of € 113,4 million over the period running from 1 May 2004 to 30 April 2009, inclusive.

2. In accordance with Article 5 of the Agreement, a total of € 74.277.000 shall be made available to the Republic of Hungary over the period referred to in Paragraph 1.

3. In accordance with Article 8 of the Agreement, the management costs of the Norwegian Financial Mechanism shall be covered by the amounts referred to above. Further provisions to this effect are set out in the Rules and Procedures.
4. In accordance with Article 6 of the Agreement, a review will be carried out in November 2006 and again in November 2008 with a view to reallocating any non-committed available funds for high priority projects from any Beneficiary State.

**Article 4**

(Roles and Responsibilities)

1. The Government of the Kingdom of Norway shall make funds available in support of eligible projects proposed by the Government of the Republic of Hungary and agreed by the Norwegian Financial Mechanism within the priority sectors listed in Article 6 of this MoU.

2. The Beneficiary State shall assure the full co-financing of projects, which benefit from support from the Norwegian Financial Mechanism.

3. The Norwegian Ministry of Foreign Affairs shall manage the Norwegian Financial Mechanism. Decisions on the granting of financial assistance from the Norwegian Financial Mechanism shall be taken by the Norwegian Ministry of Foreign Affairs.

4. The Norwegian Ministry of Foreign Affairs shall be assisted by the “Office for the EEA Financial Mechanism and the Norwegian Financial Mechanism, (hereinafter referred to as the “FMO”). The FMO shall be responsible for the day-to-day operations of the EEA Financial Mechanism and the Norwegian Financial Mechanism, and shall serve as a contact point.

5. The Republic of Hungary has authorized the National Development Office to act on its behalf as its national focal point. It shall have the overall responsibility for the management of the Norwegian Financial Mechanism’s activities in the Republic of Hungary, including the overall responsibility for financial control and audit, and serve as a contact point. Its managerial setup is contained in Annex A.

6. The National Development Office shall be responsible and accountable for the identification, planning, implementation and monitoring of projects as well as the use of funds under the Norwegian Financial Mechanism in accordance with the Rules and Procedures. It shall report on these activities to the FMO. Any irregularities shall be reported to the FMO without delay. The Hungarian Government Control Office (Kormányzati Ellenőrzési Hivatal – KEHI) carries out independent control activities. The audit of the Government Control Office is separate from the audit of the State Audit Office which has the right to carry out its own audits.

7. As a general rule, the gathering of project applications shall be carried out by open calls for proposals.

8. The National Development Office shall ensure that the project promoters are fully committed and equipped to ensure successful project implementation.
Article 5
(Annual Meetings and reporting)

1. In order to ensure the effective implementation of the Norwegian Financial Mechanism, the Parties agree to hold annual meetings between the Norwegian Ministry of Foreign Affairs and the Focal Point. The Focal Point shall at the meeting present an annual report, which shall amongst other things address:

- The progress made towards the achievement of the overall objective of the Norwegian Financial Mechanism.
- The progress of project identification in the Beneficiary State,
- The reporting of ongoing project implementation against established criteria,
- Financial progress pertaining to commitments and disbursements,
- Fields of intervention and measures for the following year.

2. The National Development Office shall organise the meetings, in cooperation with the FMO. The Commission of the European Communities may be invited to observe the meetings.

3. Minutes of the discussions in the meeting shall be drafted by the National Development Office.

4. The first meeting shall be held no later than one year after the entry into force of this MoU.

Article 6
(Priority Sectors)

1. In accordance with Article 3 of the Agreement, grants shall be available for projects in the same sectors as under the EEA Financial Mechanism as well as in the areas of:

- Implementation of Schengen acquis, support of National Schengen Action Plans as well as strengthening the judiciary,
- Environment, i. a. with emphasis on strengthening the administrative capacity to implement relevant acquis and investments in infrastructure and technology with priority given to municipal waste management,
- Regional policy and cross-border activities,
- Technical assistance relating to implementation of acquis communautaire.

2. Academic research may be eligible for funding in so far as it is targeted at one or more of the priority sectors.
Article 7

(Programming Framework)

1. With a view to ensuring effective use of the Norwegian Financial Mechanism funding and without prejudice to Article 6 above, particular attention will be given to the fields of intervention outlined in the programming framework listed in Annex B to this MoU.

2. Annex B shall be subject to review in the annual meetings referred to in Article 5 above.

Article 8

(Specific Forms of Grant Assistance)

1. In accordance with the priority sectors referred to in Article 6 and with particular attention given to the fields of intervention outlined in the Programming Framework referred to in Article 7, the parties have agreed to establish, within the overall amount referred to in Article 3, the specific forms of grant assistance listed in Annex C.

2. The Parties shall conclude grant agreements laying down the terms and conditions of each grant commitment.

3. Annex C shall be subject to review in the annual meetings referred to in Article 5 above.

Article 9

(Control and Access to Information)

The Norwegian Ministry of Foreign Affairs, the Office of the Auditor General of Norway and their representatives have the right to carry out any technical or financial mission or review, they consider necessary to follow the planning, implementation and monitoring of projects as well as the use of the funds. The Government of the Republic of Hungary shall provide all necessary assistance, information and documentation.

Article 10

(Coordination)

The Government of the Republic of Hungary and the FMO shall closely coordinate the use of the Norwegian Financial Mechanism with the use of the EEA Financial
Mechanism. All projects submitted to the mechanisms shall be consistent with Hungary’s national priorities and relevant arrangements with the European Union.

**Article 11**

*(Governing Principles)*

1. The implementation of this MoU shall in all aspects be governed by the Rules and Procedures of the Norwegian Financial Mechanism and subsequent amendments thereof.

2. The Parties agree to apply the highest degree of transparency and accountability in the implementation of the Norwegian Financial Mechanism, as well as objectives and principles of good governance, sustainable development and gender equality.

**Article 12**

*(Entry into Force)*

This MoU shall enter into force on the day of signature.

********

The present Memorandum of Understanding is signed in two originals in the English language.

Done in Budapest on 10 June 2005,

For the Government of
the Kingdom of Norway

For the Government of
the Republic of Hungary
Annex A

The Managerial Set-up for the Implementation of the Norwegian Financial Mechanism in the Republic of Hungary

National Focal Point
The Minister Without Portfolio responsible for EU Affairs and supervising the National Development Office has, on behalf of the Beneficiary State, designated the National Development Office (Nemzeti Fejlesztési Hivatal) to carry out the tasks of the National Focal Point. A separate government regulation will be issued on the management of the EEA and the Norwegian Financial Mechanisms.

The National Focal Point has the overall responsibility for the management of the Norwegian Financial Mechanism’s activities in Hungary as described in this Memorandum of Understanding (MoU) and in the Rules and Procedures for the Norwegian Financial Mechanism, which is adopted by the Norwegian Ministry of Foreign Affairs, and their subsequent amendments, including the overall responsibility for the use of funds, financial control and audit.

The responsibilities of the National Development Office as the National Focal Point include but are not limited to the following:

- call for and collect proposals, and with its reasoned opinion of the proposed projects, submit them to the Financial Mechanism Office
- ensure correctness of management and implementation of realised projects
- ensure regular reporting to the Financial Mechanism Office on the implementation of projects financed by the Norwegian Financial Mechanisms, as well as to immediately report any irregularities
- chair the Monitoring Committee
- draw up annual reports on implementation of projects financed by the Norwegian Financial Mechanism which are to be forwarded for approval to the Monitoring Committee and submitted to the Financial Mechanism Office
- ensure efficiency, correctness and transparency of use of available funds
- supervise the adherence to the rules governing the Norwegian Financial Mechanism
- ensure that project promoters are fully committed and equipped to successfully implement projects
- ensure a complete and sufficient audit path in all engaged institutions
- provide information and publicity about available funds and ensure that the general public is informed about the projects implemented under the Norwegian Financial Mechanism
- store all documents connected with projects realised within the Norwegian Financial Mechanism in its field of responsibility for 10 years after the completion of projects

The role of the National Focal Point may be further elaborated in the Grant Agreements.
Central Finance and Contracts Unit (CFCU)
The National Focal Point will delegate the following tasks to the CFCU:

- ensuring public procurement and contracting of funds under the Norwegian Financial Mechanism for the project promoters/intermediaries
- checking the factual and formal correctness of requests for payment submitted by project promoters/intermediaries
- managing the accounts on which payments from the National Authorising Officer’s Office are kept until they are transferred to the project promoters/intermediaries
- managing the register of irregularities and its update as well as report irregularities to the National Focal Point
- settling irregularities in its scope of function in accordance with the relevant regulations and instructions
- preparing background documentation for the Annual Monitoring Reports
- transferring payments to the project promoters/intermediaries as quickly as possible and within the specified deadlines
- storing all documents related to projects realised within the Norwegian Financial Mechanism in its field of responsibility for 10 years after the completion of projects

A written agreement shall regulate spheres of responsibility, tasks and duties as well as the procedures and co-operation between the head of the CFCU and the project promoters/intermediaries.

Paying Authority
Paying Authority functions for the Norwegian Financial Mechanism are performed by the National Authorising Officer’s Office (NAO) within the Ministry of Finance. Disbursements from the FMO will be made to a designated bank account held by the Ministry of Finance. The tasks of the Paying Authority are in particular to:

- manage the accounts on which grants from both Mechanisms are kept
- certify, based on the verification of CFCU, that the national co-financing allocated to projects is available
- certify, based on the verification of the CFCU, that the national co-financing allocated to the project has been paid
- certify to the FMO that expenditure declarations are made on the basis of reliable and verified documents
- submit certified requests for disbursements to the FMO accompanied by the necessary documentary evidence demonstrating fulfilment of the conditions for each disbursement
- report on financial flows to the National Focal Point,
- transfer payments to the CFCU and ensure that payments are made to the promoters/intermediaries as quickly as possible and within the specified deadlines
- ensure reimbursement of unused or unduly paid funds to the Norwegian Financial Mechanism

The Paying Authority will, through fact-finding missions and other means, certify that the systems and procedures of the CFCU regarding verification of payment claims from promoters/intermediaries and supporting documents are sufficient to ensure that funds from the Norwegian Financial Mechanism are being used efficiently and correctly and in accordance with the principles of sound financial
management. Furthermore, the Paying Authority is responsible to the National Focal Point for developing, implementing and maintaining the procedures for financial management and control.

Application procedure
Subsequently to the signing of the present Memorandum of Understanding an open call for proposals will be launched by the National Development Office. Projects will be evaluated on the basis of criteria set in advance in the call for proposals. Calls for proposals will be repeated as appropriate.

A Project Selection Committee will select and recommend project proposals for submission to the FMO from the applications received through the open calls. The Project Selection Committee will be composed of representatives from:

- The National Development Office
- The Office for EU Affair
- The Ministry of Foreign Affairs
- The Ministry of Finance
- The Ministry of Economy and Transport (chairing the Hungarian EFTA Committee Working Group)

The National Focal Point will, in close co-operation with the FMO, work out a methodology on how to involve representatives from NGOs, social and economic partners, and regional and local governments in the Project Selection Committee.

Public Procurement
The project department of the CFCU will be responsible for the public procurement procedures. Act CXXIX of 2003 on public procurement regulates the procedures. All procurements related to the Norwegian Financial Mechanism will be executed according to this Act.

Monitoring Committee (MC)
The Monitoring Committee will assist the National Focal Point in the selection and management of projects. Its tasks and responsibilities are as follows:

- monitor compliance with the Rules and Procedures
- review and provide recommendation on the selection process
- review overall progress and financial reports
- recommend/adopt corrective actions, if necessary
- approve the Annual Monitoring Report prepared by the National Focal Point

The Monitoring Committee shall include representatives from:

- the National Focal Point (chair)
- relevant line ministries and/or governmental bodies
- the NAO Office
- social and economic partners
- regional and local level government
- NGOs

The National Focal Point will appoint the members of the Monitoring Committee. The appointment of representatives of line ministries and/or governmental bodies will be made on the basis of proposals from the relevant ministries.
The Financial Mechanism Office and, where appropriate, representatives of other institutions and organisations, will be invited to observe the meetings of the Committee.

**Auditing**

According to Hungarian legislation, the Government Control Office (GCO) carries out continuous auditing of approved projects financed from Norwegian Financial Mechanism as well as spot checks. The GCO continuously ensures on the basis of risk analysis that the projects are audited to an adequate extent.

The objective of the activities of the GCO is to ascertain that actions carried out are lawful, correct, economical and efficient. The Government Control Office is independent from the National Focal Point and the CFCU.

The audit of the GCO is separate from the audit of the State Audit Office which has the right to carry out its own audits.

The National Focal Point has, in accordance with Article 6.2 of the Rules and Procedures, a duty to provide the Financial Mechanism Office with copies of any report that is made by the Government Control Office, the State Audit Office, or any other entity, about the projects or other activities related to the Norwegian Financial Mechanism.
