1. Programme summary

This Annex sets out the operational rules for the program. The programme agreement is based on the MoU, the concept note and comments made by the FMC. Commitments, statements and guarantees, explicit as well as implicit, made in the concept note, are binding for the Programme Operator (PO) unless otherwise explicitly stipulated in the annexes to this programme agreement.

The Programme Operator is the Ministry of Culture and National Heritage of Poland (MCNH). The Donor Programme Partners are the Norwegian Directorate for Cultural Heritage (RA) and the Arts Council Norway (ACN).

The programme shall cover Programme Area 14, “Cultural Entrepreneurship, Cultural Heritage and Cultural Cooperation”. The programme objective “Social and economic development strengthened through cultural cooperation, cultural entrepreneurship and cultural heritage management” shall be attained through three outcomes:

- The programme shall support the outcome “Cultural heritage management enhanced” (Outcome 1) by way of one open call for proposals (with two components) supporting projects that improve the management of cultural heritage through creation of sustainable conditions for cultural activities both via restored heritage sites and via better cultural infrastructure. The call shall be separated into two components: the first shall contribute to Output 1.1 Culture heritage sites restored and revitalised and the second shall contribute to Output 1.2 Innovative use of sites and buildings for culture heritage supported. Projects supported under both components shall contribute to local and regional development through an increased cultural and educational offer and through trainings relevant to the scope of the project.

- The programme shall support the outcome “Access to arts and culture improved” (Outcome 2) by way of three open call for proposals supporting projects developing cooperation among cultural actors in various artistic fields while promoting audience development, cultural entrepreneurship and the inclusion of minorities. Bilateral partnerships with donor state entities shall be mandatory in all projects.

- The programme shall support the outcome “Knowledge of Jewish cultural heritage increased” (Outcome 3) by way of one pre-defined project, "Jewish Cultural Heritage” defined in the MoU. The pre-defined project shall contribute to achieving the outcome through significantly broadening access to a wider scope of Jewish cultural heritage, through carrying out innovative cultural-educational and training programmes targeting various audiences, as well as through creating local and international networks of practitioners to improve the preservation of Jewish cultural heritage. The project shall expand the activities carried out under the project financed under the 2019-2014 Financial Mechanism and shall also introduce new activities to increase both physical and online access to Jewish cultural heritage and to increase the potential for outreach to a broader target audience. The project activities shall be carried out in bilateral cooperation with five Donor Project Partners.

4.2 Selection procedures:
The project evaluation and award of grants shall be in accordance with Article 7.4 of the Regulation.

The Programme Operator shall be responsible for project evaluation and the award of grants.

The Programme Operator shall be responsible for project evaluation and the award of grants.

The details of the selection criteria together with the text of the open call for proposals shall be discussed and agreed in the Cooperation Committee.

Notwithstanding the above, it shall be ensured that the administrative and general eligibility criteria shall not include any criteria requiring the content related assessment of the application.

In addition, the selection criteria shall ensure that all projects selected shall contribute to the requirement (as defined in Annex I, General conditions) that the programme shall focus on the role that culture and cultural heritage play in local and regional development (including emphasis on employment, cultural entrepreneurship and vocational training); and that projects selected under Outcome 1 shall take account of impact on regional and local development.

The Programme Operator shall be responsible for reviewing the applications for compliance with administrative and general eligibility criteria. The applicants shall be provided with the possibility to provide additional information or documents to determine the compliance with these criteria, where applicable. The applicants whose applications are rejected at this stage shall be informed of the reasons of rejection in writing and given reasonable time to appeal that decision to the National Focal Point.

Each application that meets the administrative and eligibility criteria shall be reviewed by at least two impartial experts, at least one of which shall be independent of and external to the Programme Operator. In case of Outcome 1 at least one expert shall be contracted by the National Heritage Board or International Cultural Centre in Cracow or National Institute for Museums and Public Collections. In case of Outcome 2 at least one expert shall be contracted by the Arts Council Norway. The experts shall separately score the project according to the selection criteria published with the call for proposals. If the difference between the total scores given by the two experts is more than 30% of the higher score, a third expert shall be appointed. The third expert shall be contracted by the National Heritage Board or International Cultural Centre in Cracow or National Institute for Museums and Public Collection in case of Outcome 1, and by the Arts Council Norway in case of Outcome 2. In such cases, the average score of the two closest scores shall be used for the ranking of the projects.

The Programme Operator shall establish an Experts Committee as well as a Selection Committee (per outcome).

The Experts Committee shall consist of (i) a Chair (ii), a Secretary, (iii) experts appointed by the Programme Operator and (iv) experts external from the Programme Operator. Representatives of the
National Focal Point, the FMC, the Norwegian Embassy in Poland and the Donor Programme Partners shall be invited to participate in the Experts Committee as observers.

The Experts Committee shall have an opening meeting where, amongst others, information about the selection procedure, the results of the administrative and eligibility assessment and general information about the selection criteria shall be provided and discussed. On the 2\textsuperscript{nd} meeting the experts shall discuss in panel their approach towards the projects. The Programme Operator shall prepare minutes of the meetings.

Following the second meeting the experts shall complete their review (detailed assessment) and scoring and submit to the Programme Operator the signed evaluation sheets. Based on the expert’s scoring the Programme Operator shall prepare the ranked list of projects which shall be provided to the Selection Committee.

The Selection Committee shall consist of a representative of (i) the PO – 1 member (Chair), (ii) the DPP – 1 member (the RA in case of Outcome 1, as observer, and the ACN in case of Outcome 2), (iii) the relevant sectors – 3 members (1st - the National Heritage Board, 2nd - the International Cultural Centre in Cracow and 3rd - National Institute for Museums and Public Collection in case of Outcome 1, and 1st – the National Culture Centre, 2nd – the Theatre Institute, 3rd - the National Institute for Museums and Public Collections in case of Outcome 2). The representative of the NFP, the FMC, and the Norwegian Embassy in Poland shall be invited to participate as observers.

The Selection Committee should discuss the ranked list of projects. The Selection Committee may modify the ranking of the projects in justified cases. The justification for modifications shall be detailed in the minutes of the meeting of the Selection Committee. The minutes shall be approved by all members of the Selection Committee. The Chairman of the Selection Committee shall submit the minutes and the list of the recommended projects, together with a reserve list and the list of rejected project applications and the reason for their rejection to the Minister of Culture and National Heritage (head of Programme Operator).

The Programme Operator shall verify that the selection process has been conducted in accordance with the Regulation and that the grant award recommendation of the Selection Committee complies with the rules and objectives of the Programme. Following such verification, the Programme Operator (Minister of Culture and National Heritage) shall make a formal decision on which projects shall be supported based on the ranking recommended by the Selection Committee.

The Programme Operator shall notify the applicants about the results of the selection process within a reasonable time and publicise the results. All unsuccessful applicants shall be provided with a brief description of the reasons for the decision.

4.3 Project grant rate:

Grants from the programme may be up to 85% of total eligible expenditure of the project. The project grant rate shall in all cases be set at a level that complies with the State Aid rules in force and that takes into account any and all other forms of public support granted to projects. Any remaining costs of the project shall be provided or obtained by the Project Promoter.
