4.2 **Selection procedures:**
The project evaluation and award of grants shall be in accordance with Article 7.4 of the Regulation. The Programme Operator shall assess applications received for compliance with the administrative and eligibility criteria. Applicants whose applications are rejected at this stage shall be notified and given ten working days from the date of notification to appeal that decision.

All applications that pass the administrative and eligibility verification shall be subject to a technical and financial evaluation by external (to the Programme Operator) and independent experts contracted by the Programme Operator.

Each application shall be scored by at least two experts separately, against the selection criteria announced with the call for the Small Grant Scheme. For the purpose of ranking the projects, the average of the scores awarded by the experts shall be used. If the difference between the scores given by the two experts is more than 30% of the higher score, a third expert shall be commissioned by the PO to score the project independently. In such cases the average score of the two closest scores shall be used for ranking of the projects. The result of the experts’ evaluation shall be a ranking list that forms the basis of the Selection Committee’s (SC) discussion.

One Selection Committee will be designated for each Small Grants Scheme. The following rules shall apply to all Selection Committees:
The SC shall consist of three persons (voting members) with relevant expertise. One member shall represent the Programme Operator; one member shall represent the relevant DPP (in the case of small grant scheme 1, this is UDI); and one shall be external to the Programme Operator. The representative(s) of the NMFA and the NFP shall be invited as observers to the SC. The SC shall recommend the projects to be funded and may modify the ranking of the projects in justified cases. The justification for the modifications shall be detailed in the minutes of the meetings and all affected applicants shall be informed in writing about the justification for the modification.

Grants shall be awarded by the Programme Operator to projects on the basis of a ranking list (including reserve list) approved by the Selection Committee. In case the Programme Operator modifies the final ranking list approved by the Selection Committee, it shall inform all applicants affected, the Selection Committee, the DPP, the IPO and the Donors and provide a justification for the modifications.

4.3 Project grant rate:
Grants from the programme may be up to 100% of total eligible expenditure of the project. In the case of projects where the project promoter is an NGO or a social partner, as defined in Article 1.6 of the Regulation, the project grant rate may be up to 90% of eligible expenditure of the project. The project grant rate shall in all cases be set at a level that complies with the State Aid rules in force and takes into account any and all other forms of public support granted to projects.
